COMMUNITY NEWS

CROSSLANDS IN THE MID-WEST

The inaugural **Community Liaison Group** meeting was held in Yalgoo as part of Crosslands' ongoing community engagement and liaison program. The group, made up of community and local government representatives took the opportunity to discuss Crosslands future plans with company CEO Stuart Hall. The group is due to meet again in Mt Magnet in May to continue discussions.

The Geraldton based liaison group received a presentation from Crosslands' Vice President Marketing and Sales, Ernest Dempsey, who updated members on the current iron-ore market and how it effects Crosslands' operations.

Crosslands continues to visit shires in the company's operating areas and recently met with the councils at the Shires of Yalgoo and Murchison to discuss the company's expansion plans.
