

# JACK HILLS IRON ORE MINE WESTERN AUSTRALIA'S MID-WEST REGION

## COMMUNITY NEWS

30 APRIL 2008

### AT THE HEART OF MID-WEST IRON ORE

At the heart of mid-west iron ore is Crosslands Resources - the owner and operator of the high grade Jack Hills iron ore project.

We are a local company and a supporter of the local community.

This month, we are pleased to provide an update on our support for community initiatives in the Murchison Shire.

*Community Fund:* The 2008 Crosslands community fund for the Murchison Shire is being utilised to support three local projects.

- The operation of the Murchison Community Roadhouse, which provides an important service within the small Murchison Settlement.
- The completion of works to upgrade the Murchison Cemetery, including earth works, shade shelters and brick paving.
- The completion of a youth room at the Settlement and purchase of recreation equipment for use by children throughout the Shire.

*Sponsorship:* Crosslands provides sponsorship support to local projects of general public benefit, in the communities where our operations have an impact, including Cue and the City of Geraldton-Greenough. Most recently, Crosslands provided sponsorship support to the Yalgoo Gymkhana.
